OUR ROOMS

Fox in a Box Brisbane offers 9 uniquely themed escape rooms, each designed to challenge teamwork, communication, and problem-solving skills.

Rooms vary in theme and difficulty, allowing us to match experiences to different age levels and group dynamics.

Each room can cater to 6 players, for larger groups you would need to split into teams and select multiple themes.

We recomend our Prison Break, Bunker, Wild West Saloon or Mastermind Heist for kids parties. They are all family friendly and can be modified to make puzzles easier to complete for younger audiences.

STILL GOT QUESTIONS?

Here are the most commonly asked questions about our birthday party packages;

How many kids can you cater for?

A lot! we can fit 6 players in any single escape room which allows us to cater for up to 60 players every session

What time sessions do you have?

10AM, 11:30AM, 1PM, 2:30PM, 4PM, 5:30PM, 7PM, 8:30PM, 10PM

Can you add birthday surprises to the room?

Absolutley we can, if you supply us with the favours you would like (party bags, gifts etc) we can hide them around the room for players to find - even ending with a larger present for the birthday child as a final surprise!

What age are your birthday parties suitable for?

Our escape room birthday parties are perfect for kids aged 8+ years. Younger children may require adult supervision depending on the game selected.

Are the rooms scary?

Most of our rooms are designed to be exciting rather than scary. Some themes may contain darker lighting, scares or suspenseful moments, but there are no live actors chasing players.

Can players get hints if they get stuck?

Absolutely! Our game masters monitor your team throughout the experience and can provide hints whenever needed.

How far in advance should I book?

Birthday parties, especially weekends, can fill up quickly. We recommend booking at least 2-4 weeks in advance to secure your preferred date and time. If you are looking for last minute availability give us a call to discuss availabilities.

What is your most popular birthday party option?

For groups of 7-14 players, our Prison Break Head-to-Head experience is a favourite. Two teams enter identical rooms and compete to see who can escape first, making it perfect for birthday celebrations and friendly competition.
